Grand Rapids Chamber Of Commerce Records

Collection # 46

September 2009 version

Abstract

The Grand Rapids Chamber of Commerce was founded in 1887 as the Grand Rapids Board of Trade. The name was changed to Grand Rapids Association of Commerce in 1911, and to Chamber of Commerce in 1943. The Grand Rapids Chamber of Commerce Records include the minutes, financial and other records, scrapbooks, photographs and publications of the organization, 1888-1991. Some additional information is currently unprocessed. Occasional later items have been attached to this collection, as found. The papers detail activities of the Chamber as it tried to improve the business environment in Grand Rapids, to enhance the City's image, to offer assistance to businesses, and to help plan city economic and physical growth. The minutes and records also depict the Chamber's internal operation, especially in generating policies and establishing community-wide goals.

History

The Grand Rapids Chamber of Commerce was founded in 1887 as the Grand Rapids Board of Trade. The name was changed to Grand Rapids Association of Commerce in 1911, and to Chamber of Commerce in 1943. The Chamber is composed of local businessmen from throughout the community, and its funding base is local. The Chamber is loosely affiliated with the national and state organizations.

Since its founding, the organization has attempted both to improve Grand Rapids and to promote the advantages of the city to non-residents. Though the Chamber's primary interest has been improving business conditions, the Chamber has taken a very broad view about what makes a community desirable to business. Thus the records, photographs and publications show the Chamber involved in a whole series of activities, including education, public health, governmental organization and efficiency, transportation, housing, public welfare, literally everything from railroad freight rates to the statues placed in parks. The Chamber has included the most able of the community's business leaders from its inception, and has been a major force in the city's economic and social fabric. The Chamber continues in the tradition established by its early leaders.

Scope and Content

The Collection documents through the Chamber's minutes, activities programs, scrapbooks, records, publications and photographs, the impact of the organization in and on the community, and reflects especially the economic development of Grand Rapids from 1888. The bulk of the collection dates from 1888 to 1946, the exception being the photograph series which encompasses primarily the 1950 to 1980 period. The collection consists of the following series: Minutes of the Directors' Meetings, Miscellaneous Committee Minutes, Wholesale Department Committee Minutes, Annual Reports, Special Reports, "Gold Book" Directories, Activities Programs, Scrapbooks, Subject files, All-America City Commission 1980-81, Annexation, Chamber of Commerce Publications, Photographs and Miscellaneous Publications.

Series Descriptions

Series I. General & Historical

This is a new series created to hold general information about the Chamber itself. It is mostly a place holder box for materials found & added by staff.

Included here will be a copy of the Grand Rapids : City Renewed / Gordon Olson. 1996. This publication was sponsored by the Chamber Foundation. It contains a Business Hall of Fame at the back prepared by Susan Lovell.

Series II. Minutes

Subseries A. MINUTES OF DIRECTORS' MEETINGS.

Arranged chronologically.

Consists of the minutes of the Board of Directors, 1895 to 1946. Vol. B, p. 251 also includes Miscellaneous Committee Minutes 1898-1903. The 30 volumes in the series document both the internal workings of the organization and its responses to outside conditions.

Subseries B. MISCELLANEOUS COMMITTEE MINUTES.

Arranged chronologically.

Consists of the minutes of miscellaneous committees, 1903-1946. For Minutes 1898-1903, see Vol. B, p. 251. The manner in which the committee minutes were bound for 1909 to 1929 is extremely disorganized. After 1929 the committee minutes were bound chronologically. The arrangement in the series echoes the haphazard binding scheme. The minutes reflect the responses of the Chamber to particular problems or goals as perceived by the organization.

Subseries C. WHOLESALE DEPARTMENT COMMITTEE MINUTES.

Arranged chronologically.

Consists of bound committee minutes from 1917-1925.

Series III. ANNUAL REPORTS.

Arranged chronologically.

Consists of annual reports of the Chambers activities, 1889, 1902-1905, 1907-1910, 1912, 1915-16, 1946-62, 1965, 1967-68, 1975. Serves as a gauge of what the Chamber wanted the general public as well as its membership at large to feel the Chamber was accomplishing.

Series IV. SPECIAL REPORTS.

Consists of five special reports; on meat supply 1918, water supply 1956, two addresses and report on constitution and by-laws.

Series V. "GOLD BOOK".

Series VI. ACTIVITIES PROGRAMS.

Arranged chronologically.

Consists of yearly reports on the activities of the Chamber for the past year and projects and goals to work toward for the following year. Usually included listings of committees, personnel, etc. 1912, 1916, 1931, 1936-45, 1947-65, 1969, 1972, 1980-1 and 1983.

Series VII. SCRAPBOOKS.

Arranged chronologically.

Consists of two early scrapbooks of the work Board of Trade, 1888-1901, and a scrapbook of the participation of the Chamber of Commerce in the War Manpower Commission, 1944. The two early volumes provide useful information on companies, business conditions, etc. and provide information on the Board's first years. **A 1929 scrapbook from the Grand Rapids Association of Commerce, Expansion Campaign, was rediscovered and added to this collection 12/1999.**

Series VIII. SUBJECT FILES.

Arranged alphabetically.

Consists of the subject files of the Chamber, covering such topics as airline service, Metro area studies, taxes affecting industry, libraries and museums.

Series IX. ALL-AMERICA CITY COMMITTEE.

Arranged chronologically within folder.

Minutes, correspondence, rules and forms, the official presentation, telegrams, press releases, a/v presentation, clippings of the committee. During the summer of 1980, a committee was formed by Tamsen R. Vanderwier, a member of the Amway Public Relations Department, at the request of the Grand Rapids Chamber of Commerce. The purpose of the committee was to enter Grand Rapids in the All-America City Award competition. The guidelines were specific: three programs were to be detailed, each demonstrating citizen action, effective organization and community improvement. The records in this series portrays the objectives and plan of action of the committee, and includes the official presentation, with slides and speech, given to the convention.

Series X. ANNEXATION FILES.

Arranged alphabetically and chronologically.

Files of the Chamber on annexation, primarily 1958-63. The files detail the Chambers support for annexation by Grand Rapids of outlying areas, especially industrial, and support for annexation in general. Files evince a major concern during the sixties, that of incorporation into larger governmental and economic units. Files include topics as: airport annexation, records and correspondence of the Area Development Committee 1958-63, data files on areas where annexation was a possibility, surveys, maps and petitions for annexation.

Series XI. CHAMBER OF COMMERCE PUBLICATIONS.

Arranged alphabetically within sub-series, chronologically within folder.

Publications of the Grand Rapids Chamber of Commerce, divided into two sub-series: Illustrated Publications and Publications. The illustrated publications serve as an excellent source for Grand Rapids scenes and landmarks as well as filling the function of being attractive lures used by the Chamber to bring about a positive attitude in re Grand Rapids among others. The publications are also a record of topics the business community, through the Chamber, felt were of importance and/or concern, and the industries in the city that were most advantageous to its economy and image. Included in the series is the in-house journal of the Chamber, *The News Bulletin*. Meant for local consumption, *The News Bulletin* gives an inside view of issues of concern or interest within the Chamber and the community. A copy of the *City Renewed* book by Gordon Olson, and published with funds from the Chamber of Commerce Foundation, will be added to this collection, when available. "Greater Grand Rapids Chamber of Commerce News" also called & later called "Grand Rapids" was moved to this collection from Local History Periodicals. The banner changed to "Grand Rapids" with the January 1970 issues. The title was purchased by Gemini Publications, and is commonly know as "Grand Rapids Magazine", as of January 1980.

Series XII. OTHER PUBLICATIONS.

Arranged alphabetically.

Non-Chamber publications that were supportive of the Chamber's information needs. Includes the Booth Newspapers market area, with area wide statistics on the Grand Rapids trading sphere, writings on city plans, and other general information. Primarily covers the 1940s to 1960s.

Series XIII. PHOTOGRAPHS.

This series includes images of people, activities and events that involved the Chamber of Commerce. There are photographs portraying the history and development of the city, the majority of which pertain to the business environment and the industrial sector. There are also numerous photographs of prominent individuals, e.g. President Ford and Senator Vandenberg, and staff members of the Chamber of Commerce. Images primarily cover the 1950s to 1980s.

Note: In Spring 2004, many photographic prints stamped with Grand Rapids Chamber of Commerce Public Relations Department were pulled from Coll. 054 for transfer to this collection. There may still be other photographs in Coll. 054, the GRPL Photographs Collection, or in other archival collections, which specifically document the work of the Chamber of Commerce.

Some of the transferred images may have a separate provenance, or donor source, which may or may not ever be documented for these items, due to the lack of information. Others are believed to have migrated from Coll. 046 into Coll. 054, due to the lack of collection/box/folder location markings on the items previous to 1999.

Subseries A. People.

Arranged Alphabetically by last name.

See also the Chamber of Commerce President's series below.

Subseries B. Subjects.

Arranged alphabetically by the subject.

Processing Need: There are 4 small boxes at the end of this series which are unprocessed snapshots.

Series XIII. PHOTOGRAPHS.

Subseries C. Chamber of Commerce photographs found in Coll. 054, and transferred to Coll. 046 in April 2004.

Some of these images may have come to the Archives separately from Coll. 046, or they may have gotten separated from the collection later during use. They appear to be primarily images used in various publications, including newspapers, magazines, or the publications of the organizations listed in this finding aid. They have now been restored to the context in which they were created.

Subseries D. Chamber of Commerce Presidents Oversized Portrait Photographs.

Documenting nineteen (19) former presidents of the Chamber, from 1895 to 1946, these images are arranged alphabetically by the last name of the president, and giving the years served.

Processing need: The envelopes enclosing the photographs in this old series still have an old "Box 29" written on them. Boxing was apparently changed some time ago, when the new boxes 29-32 were added, and the new box containing the Presidents photos became Box 34.

Series XIV.

NEW QUARTERS TASK FORCE

Arranged chronologically.

Consists of correspondence, notes, clippings and news releases regarding the search for new quarters for the Chamber of Commerce. Includes bids by several downtown buildings, with prices and floor plans.
