

Books by the Stack

Build your own book club kit! Check out as few or as many copies as you need. Each book checks out separately and can be returned separately to any GRPL location. Books by the Stack are checked out for 6 weeks (one 3-week renewal is available). Plenty of time to read, meet, and discuss!

Full descriptions and discussion questions for each book can be found at www.grpl.org/bookclub. Or ask for a copy of the questions at the Information Desk of the Main Library.
